

FROM OUR DIRECTOR

Greeting for the Winter everyone. Thanks for your patience during our assembly last month. I think it was one of our best. We are right at the end of our annual fund drive. To date we have received over \$64,750 in pledges with 64% participation from our families! Thank you for your generosity! If you haven't already offered a gift to our school, please consider doing so and give what you are able and comfortable giving. Our school's public Waldorf education is priceless for our children and families. More California State budget cuts seem likely in 2010. Anything you can give to our school will enable us to work toward maintaining our operational budget.

Next week our Sweat Pea kindergarten reopens under the leadership of Suzanne Scirpo. It is now located in its former location which has most recently served as our development office. We already have nine students enrolled in this three day per week program. I am pleased to announce that Armida Cervantez-Plucker will be taking Suzanne's place as the new Lavender Kindergarten assistant beginning Tuesday.

Unfortunately due to low enrollment and no staff, we have temporarily closed the preschool. We wish teacher Anna a speedy recovery from her knee injury at the beginning of the year. It looks like she will now be out most of the school year to heal. Because the preschool is vacant we have moved the development office downstairs and it will continue to serve as a conference room and office for our Spanish teacher Patricia Montijo.

With the increased budget cuts, staffing challenges, and new programs, you will experience changes throughout the school. When a change effects one person, it resonates throughout the community. Feel free to contact me if you have any questions or fill out a parent concern form so I can respond. Though it's tempting, you'll want to avoid reacting to rumors of change which can cause unnecessary concern. I recently read one report that said half of all school district in California will be bankrupt by the end of next year. We are very strong as a community and I expect Yuba River Charter will be around as long as water still flows in the South Fork.

Sincerely, Caleb Buckley, YRCS Director

TOLERANCE

Grade 4 is hosting this month's virtue.

To be tolerant is to accept differences. Tolerant people don't expect others to think, look, speak or act just like them. Tolerance is being free of prejudice, knowing that all people have feelings, needs, hopes and dreams. People without tolerance decide who can be a friend and who can't by the way they look, sound, or dress. When people are teased or left out, they feel sad and lonely. When we are tolerant, we don't allow differences to drive us apart.

Tolerance does not mean being passive and letting someone hurt you. When that happens, you need assertiveness to stand up for yourself. Tolerance is not judging others and also showing forgiveness when someone makes a mistake.

To be tolerant also means to accept things you wish were different with flexibility and patience. People who don't practice tolerance cannot stand to have anything differ from what they want and expect.

> Based on The Virtues Guide by Linda Kavelin Popov

"Tolerance and celebration of individual differences is the fire that fuels lasting love."

Tom Hannah

"Give every human being every right that you claim yourself."

Robert G. Ingersoll

"We may have come here on different ships, but we're all in the same boat."

Dr. Martin Luther King, Jr.

"The test of courage comes when we are in the minority. The test of tolerance comes when we are in the majority."

Ralph W. Sockman

* An aquarium/terrarium was inadvertently taken from a classroom to the lost and found. Apparently it was then picked up by someone claiming the unclaimed items. Please call Hilary at 274-9468 if you have it.

* The Cross Country/Track Team will continue running Mondays, rain or shine, after school from 3:00 to 3:30 with Frank Plucker. This will be great training for the upcoming track season. Please meet by the 4th grade classroom if you would like to join us. This is open to all 4th through 8th graders.

OFFICE NOTES

* Give Kids a Smile Day:

Here is your opportunity to get free dental services for your child(ren) in early February. We have 20 slots available for children who meet these criteria:

- Between ages 1 and 19
- Low income or special needs
- Are not receiving regular dental care
- Are not likely to require sedation for treatment

Please come to the office to sign up for this program.

* New speed limit and school zone signs have been posted as you enter the property. Please be conscious of the fact that this is a School Zone and as such, subject to state laws. It is a felony to have in your possession firearms, drugs, or alcohol on school premises. Also be aware that we are subject to our landlord's rules and he requires that we observe the posted speed limit. As always, we appreciate your cooperation in making our school a safe place for everyone and in keeping our landlord happy.

PARENT

I am very happy and grateful to let you know that over \$1,000 was raised at the recent Winter Assembly. This meant that 11 families were "gifted" by our community. It was an amazing

assembly, overcoming the obstacles that arose that night. The way our community came together and supported each other during this event was beyond what I imagined could occur during such trying times.

I'd also like to draw our attention to the importance of our parent community and the rewards of our hard efforts for the school. Festivals such as the recent Winter Fair, Harvest Festival and Halloween Festival enrich our children's lives and are deeply enjoyed by them. I know that at times it seems impossible to take on another responsibility, but seen through my children's eyes, it is well worth the energy.

It is a wonderful time to be an active member of the YRCS community as we look to the future and our new school building. Thank you all for your sincere efforts.

Other than that, it is a fairly quiet time as we get back into the swing of things after a holiday break.

Winter Fair

As many

of you know festivals are integral part of the Waldorf curriculum and they would not be possible without the cooperation of many people. Thank you to all the parents, teachers

and students that volunteered their time and talents to put on the Winter Fair. Special thanks go to the class coordinators; Keri Travis, Shannon Becker and Melissa Seibold, Brenda Shawley, Denise Reynolds, Chelsea Deen-Baum, Annette Fuchs and Lorrie Valvo, Laurence Fogiel, Genevieve Gartin, Jean Remley and Chris Hofland, and Lisa Hooper; Mr. Simon and Ms. Reuther for the festive music; Doris Rainville for coordinating the marketplace; and to Thea Blair and Molly Collum for the wonderful puppets shows that were a wonderful addition to our fair. Though fundraising was not the primary goal of the fair, each participating class will receive \$76 in their field funds.

Very Important

To all class volunteers,

All parents that regularly volunteer in a classroom or attend overnight fieldtrips are required to have a current clear TB test. These tests are good for 4 years. Our school nurse will be here at YRCS giving free tests on January 26th and returning January 28th to read the results. If you plan to, or are already volunteering in a classroom, or plan on going on an overnight trip please RSVP to the office to get your free TB test.

Otherwise you will be required to get one done at another facility. The health dept. does them every Monday with readings done the following Wednesday at a cost of approximately \$15.00.

We wish to save you this money by scheduling this free once a year offer.

Please fill out the form below and return to the office or call the office at $272-8078 \times 0$.

Please plan on being here at 8:30 am for the test and again for the results.

I plan to attend the free clinic on January 26^{th} , 2010 and will return January 28^{th} to have the results read:
