HELPFULNESS

FROM OUR DIRECTOR

YRCS is drawing up a lease to rent Nevada City Elementary School beginning on June 1. Our school and the Nevada City School District have already agreed on the major terms of the lease and we will spend the next two weeks on the finer details. We want to thank all the people who wrote in comments and attended meetings to speak. This discussion had more input than any other decision at the school since I have been here and many factors were weighed over three board meetings. In the end, the Charter Council decided that the long term health of the school was best supported by the move. The initial term of the lease will be for three years and it is our dream still to build our new campus in Grass Valley and to own our permanent school site. No doubt there will be much excitement around bringing public Waldorf education to downtown Nevada City. We will be organizing a moving committee very soon.

Next year on Monday, August 22, YRCS will be hosting a registration day at our new site. This will involve parents coming to school to sign all the paperwork and volunteer commitments for the year. We will also highlight a guest speaker that afternoon. First day of school is Tuesday, August 23 but please plan to be on campus that Monday. (We are starting a week after Nevada Union High School).

As you can see, this is a very exciting time to be on the Charter Council. One seat is currently up for re-election and the council is also seeking a community member to serve as our school treasurer. If you know of anyone who would like to support the financial planning of the school as a board member, please contact me or Torrie Mudd, our council chair.

Our community meeting has been rescheduled to April 28. This is a time to meet with the architects about the new Grass Valley site. Don't forget about our strings assembly on Wednesday and our open house and Spring assembly on Thursday.

- Caleb Buckley

Grade 1 is hosting this month's virtue.

Helpfulness is being of service. It is doing useful things for people, such as things they cannot do for themselves, something they do not have time to do, or just little things that make life easier.

It is also important to be helpful to ourselves: by eating healthy foods, exercising and getting plenty of rest.

When you are helpful, you care about others. You don't wait to be asked. You notice what needs to be done and just do it. If you cannot figure out what someone needs, ask them "How can I help?" or "What do you need?"

And remember to ask for help when you need it.

 I shall not live in vain

 Or cool one Pain

 I shall not live in vain."

SHINE

(Social Health Inclusion Network for Everyone)

We are a group of school staff and parents dedicated to improving social relationships in our community. By recognizing the humanity in each person we can work together to strengthen communication through reflection, respect, and responsibility.

To that end, we are looking for a few dedicated parents to join our group. Parents must be willing to spend time each week after school (usually Tuesday afternoon) working on Social Issues and/or group studies.

The SHINE Group consists of YRCS Teachers, Administration, and Parents. We are looking for parents in the following sub groups:

- Lower Grades Representative (K - 3)
- Upper Grades Representative (4 - 8)

Interested parents should submit a letter of interest containing the following information:

- How long have you been at YRCS? (parent reps must have a minimum of two years at the school)
- What is or are the grade level(s) of your child(ren)?
- Why are you interested in serving on SHINE?
- What skills and abilities can you bring to SHINE?

Your letter may contain any other biographical details that you feel might be of interest to the SHINE Group.

Letters of interest are due to the YRCS office or by email to krissa@yubariverschool.org

Thank You.

SHINE

Dear YRCS Family,

In the February newsletter, the Social Health Inclusion Network for Everyone (SHINE) wrote an article that described the first community agreement regarding Social Health. The topic of that article was, "Go to the source," referring to a situation when one has something that is in need of resolve. This month, we will highlight the second of our four community agreements: "Speak your truth."

This agreement considers that each of us has a perspective on any given social situation. It considers that perspectives may differ. It also empowers each community member to speak directly to others from their unique perspective and center. It validates the unique quality of each perspective. Truth - in the context of a social situation - remains a subjective concept. As such, it is imperative to dialogue in a calm manner. In order to find an appropriate social resolve, an openness to listen to another's perspective is also needed.

With the exciting news about a possible new school facility, we are also striving to weave a healthier social fabric for our school community. To speak your truth requires courage, dedication, openness and compassion by its very nature. When we do so, we feel empowered, listened to, and ultimately, respected. In doing so, the social fabric of our school can be strengthened for the betterment of all.

In truth,

SHINE

CHARTER COUNCIL NEWS

Dear YRCS families,

I am asking YRCS parents and/or students to share inspiring stories, poems and/or pictures about our wonderful school community in our school newsletter.

It can be something as simple as how you feel as you're watching your kindergartener play in the playground, sharing your experience and pictures from a class fieldtrip, sharing how your child has changed throughout the years, etc. It can be anything that has moved you about YRCS.

Please limit your articles to a maximum of 1/2 page on an attached Word document sent to Torrie Mudd at torrie@torriemudd.com. Some editing may take place for sizing into the newsletter.

Many thanks,
Torrie Mudd

Hello YRCS Families:

The past month, Charter Council has been working hard to sort through all the data/reasons/input to help determine the best strategy to pursue for our physical home. Mr. Buckley and Ms. Susan Egan have proven themselves to be very astute negotiators for our school. They have saved our budget! All indications are that the state will cut at least \$100,000 from revenues next year. This would have been a disastrous cut and would have meant the loss of most of our extra programs. Be sure to come to the community meeting on April 28 to hear all the latest details.

In the meantime, work continues to prepare our new site for building. More contracts have been approved to do the preliminary studies required. Carrie Monohan has volunteered her expertise as a hydrologist and Kateri Harrison as a project manager. As soon as the state releases our funding, we will begin.

Overall, enrollment and attendance are looking good. Attendance is up to 96%. Congratulations! This is higher than typical for us and every extra bit of attendance credit makes a big difference to our bottom line and to our children's learning. Please remember that vacations should only be taken during school holiday times. Several weeks of breaks have been added throughout the school year to accommodate such trips.

Contracts for Grade 1 - 8 teachers were approved, as was a contract for a swing dance teacher for the upper grades.

More details about happenings are available in the full minutes available on the website:
<http://www.yubariverschool.org/parents.html>.

Respectfully yours,
Mariana Nielsen, CC Secretary

YRCS Community of Families and Friends ~

Congratulations and a BIG THANKS to all of you who have contributed to making our Annual Fund Drive (AFD) an amazing success once again this year! Through the YRCS Educational Foundation “We” have raised \$95,556 to date with your participation and generosity.

I am grateful to announce even more exciting news from the Educational Foundation!

(Please NOTE the distinction between the AFD (above) and the following information regarding last years Gift Matching Campaign.)

YRCS has just received the follow-up matching gift of \$39,400 from last spring’s Gift Matching Campaign! To recap, the school was given a gift of \$35,000 last spring along with an offer to match that amount again for the 2010-2011 school year if our community could raise \$35,000. Well, we raised an amazing \$39,400 in just four weeks! The anonymous donor has just presented YRCS with the \$39,400 matching gift for a grand total to YRCS of \$118,800 from the overall Gift Matching Campaign! This is all a direct result of each of you, our committed community, rising up to the opportunity presented to YRCS in the Gift Matching Campaign!

On top of all this the same donor who so loves Waldorf Education and YRCS gave our Annual Fund Drive a boost with an additional \$10,000 gift, bringing our Annual Fund Drive total to \$95,556.

The Educational Foundation offers its sincere appreciation to our kind anonymous donor and to each and every one of you who has given so much toward keeping YRCS vibrant!

In Celebration of Our Community -

James Robinson
Ed Foundation Board Chair

IMPORTANT SCHOOL GOVERNING BOARD ELECTION COMING UP!

Dear YRCS Parents & Community,

It is time to elect one parent representative to the Charter Council. To this end, the Parent Council is now seeking letters of interest for this position.

The Charter Council is the governance body of YRCS and is responsible for ensuring that the school's policies and practices are consistent with the charter, vision and mission of the school and gives final approval to all personnel, budget, and policy decisions. The parent representatives provide the point of view and the perspective of the parent body on the issues that come before the council. We can proudly say that the YRCS structure is a MODEL for other Waldorf-methods charter schools across the state.

The council consists of three parents, three faculty members, and three community members. The parent representative will serve a **two-year term**. Our current Charter Council Parent Representatives are Marianna Nielsen, Robert Wallis and Torrie Mudd, who is the Council Chair.

The Council typically meets once per month; special meetings may be called from time-to-time. With a new school being built in the next years, a potential re-location of our existing site and numerous budgetary decisions to consider, it is incredibly important YRCS has a strong, active and committed council board. The selected parent rep will **take office at the Charter Council meeting in the beginning of June, 2011.**

Interested parents should submit a letter of interest containing the following information:

- How long have you been at YRCS? (parent representatives must have a minimum of two years at the school)
- What is or are the grade level(s) of your child(ren)?
- Why are you interested in serving on the council?
- What skills and abilities can you bring to the council?

Your letter may contain any other biographical details that you feel might be of interest to the community and will be made available to the parent body so they can make an informed choice. **Letters of interest are due no later than Friday, April 15th.**

Please submit your letters to the Parent Council Chair, Mark Dahlstrom, by e-mail at mdahlstrom@hotmail.com or place it in the Parent Council Chair mailbox in the YRCS office copy room. If you have any questions, please contact Mark Dahlstrom at 477-6338.

Thank you for your consideration!

Mark Dahlstrom, Parent Council Chair

Kids and Technology:

How do families preserve heart-to-heart connection in an increasingly digital world?

- Are you wanting to balance your child's curiosity for technology with needs for safety and good judgement?
- Would you like to trust that your child is using the Internet, screen time, cell phones, and video games in a manner that is in alignment with your values?
- Are you wanting language to create a dialogue with your children around these issues?

April 16th from 5:00 -8:00 pm at the Briar Patch Community Room

CNVC Certification Candidate, Robyn Caywood and BayNVC Collaborative Trainer, Jared Finkelstein will facilitate a 3 hour community-based discussion on "Families and Technology." Parents, teachers and caregivers are invited to join us to explore the unique challenges facing families in a world with ever increasing availability of technology, media and Internet.

The topic of kid's exposure to technology can stimulate a lot of emotion for parents. Growing up during an analog era parents often feel confused and anxious about how to best steward their child's digital age experience. Through discussion and activities we'll explore and name our values around matters of technology while remaining curious and attuned to our children's needs. This prioritizing of connection, to both ourselves and them, will increase the options available to us to prepare our children for coming of age in the the digital world.

Yuba River Charter School

DRESS CODE

(Approved by the Charter Council 02-08-06, Revised 9-9-09)

The scope of education provided at YRCS does not stop with the "Three R's," but extends into consideration of the environment into which the children come as they attend school. We wish to surround the child with a nourishing environment that is beautiful and wholesome.

We ask your support in helping Yuba River Charter School form a healthy school-time environment by guiding your children towards appropriate school attire. Your support is most needed and appreciated in the following areas.

1. To ensure a safe environment for our children, have them:
 - A. Leave dangling jewelry and earrings at home. The only pierced jewelry allowed is earrings.
 - B. Come well dressed for the weather and/or come anticipating the weather. Rain Policy: Your child will not be allowed outside on rainy days without a raincoat and hat.
 - C. Come wearing comfortable, practical, flat-soled shoes that are firmly attached to the feet. No open toe shoes. Check schedules for GAMES classes. These classes require flexible, firm-fitting running shoes worn with socks.

2. To create an environment focused on learning and which provides a wholesome social atmosphere, the children should wear:
 - A. Clothing, hats and lunchboxes free of printed messages, pictures or images. Words or images on clothing should be no larger than can be covered with two fingers.
 - B. Prints, plaids, stripes or solids.
 - C. School related apparel such as: YRCS T-shirts, Medieval games T-shirts, etc.
 - D. Shoes free of lights and/or wheels.
 - E. Clothing (tops, pants, dresses...) cut so that underwear is not visible. Specific examples are:
 - ◆ Tops that cover the midriff even when arms are extended overhead. Torso must be covered.
 - ◆ Pants that cover the hipbones.
 - ◆ Shorts that are as long as the fingertips extended to the sides.
 - ◆ Skirts must be knee length.
 - ◆ Clothing free of purposeful cutting, slashing, or ripping.
 - ◆ Tops that stay on the shoulders. Tops with necklines and sleeve-holes that keep the chest covered. No spaghetti straps.

3. The children are asked to come to school free of make-up. Grade 7 and 8 teachers may allow make-up. Extreme, distracting hair-dos such as mohawks or spikes are not permitted at school.

4. Haircoloring must reflect a single all-over natural color of hair. Highlights of hair and hair dyes are not permitted if they do not appear natural. For example, highlights in blue, red, pink or two different colors together are not permitted.

Children sent to school inappropriately attired will be sent to the office receptionist and given a t-shirt to wear for the day. With the first two occurrences the parents will be notified. On the third occurrence, the parents will be called to either bring a change of clothes or to bring their child home.

These guidelines may not cover all situations and teachers may have special need to address particular attire.

Please contact your class teachers if you have any questions about specific articles of clothing.

This policy supersedes all previous policies related to after-school pickup.

This policy is included in the Parent Handbook.
